Dear Coaches, Competitors and Spectators

Thank you for entering our Autumn Regatta this weekend, here are a few notes to help the event run smoothly but if you have any queries please do not hesitate to get in touch.

Parking

Parking for all competitors and spectators - trailers and cars - is in the middle of Worcester Racecourse. Please do not come down Grandstand Road, there will be no parking at the club.

From the north or south take junction 6 off the M5 and follow the A449 towards Worcester City Centre. From the West take the A443 and A44, both offer good access to the city centre. Follow the brown racecourse signs. The Centre Course car park postcode is WR1 3EH

Important – There is a height barrier that will be open before Division One and after Division Three to allow crews to arrive and leave. If you need access at other times please contact me on 07957 251336.

Registration

Registration will be open from around 7:30am. We use vinyl numbers for bow to wear – please ensure that these are returned to registration after racing. We reserve the right to charge for any vinyl numbers not returned but would prefer to have zero waste.

Racing

We occasionally have to pause racing to allow canal long boats and other river craft to pass the club but we do try to catch up after they have cleared the course. If you could help us to keep to the timetable by arranging with your opposition to meet at boat check 20 minutes before your scheduled race time that we would be much appreciated.

Lowest crew number will race on the Hylton Road side (far side), highest number on the Club side (near side). Once you have successfully completed your final please go to Registration where your win will be verified and you will be issued with a winning slip. Prizes can be collected upstairs in the Main Club House.
